

3940P2Ti

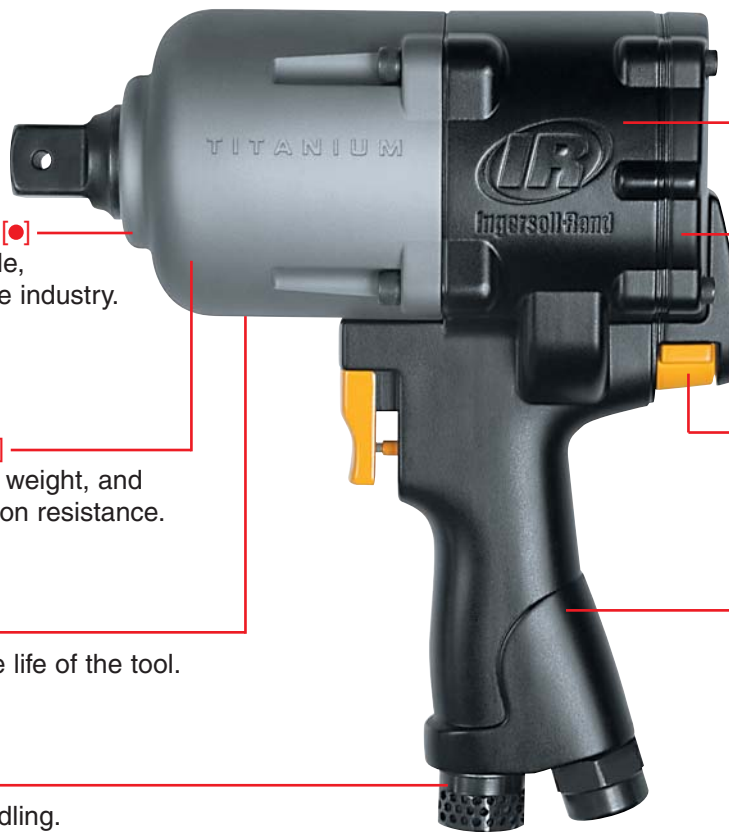

Pistol Grip Titanium
Impact Tool

Get a Grip on a New Power Solution.

Another performance innovation from Ingersoll-Rand.

3940P2Ti Pistol Grip Titanium Impact Tool

Twin Hammer Mechanism [●] is the strongest, most durable, longest life mechanism in the industry.

Titanium Hammer Case [●] increases strength, reduces weight, and provides exceptional corrosion resistance.

Laser-etched [●] product information lasts the life of the tool.

Integrated Muffler [●] is protected from rough handling.

[●] High Performance Motor package includes 7-vane rotor.

[●] Bronze Endplates for the ultimate in corrosion and wear resistance.

[●] Integrated Reverse Lever provides protection in the most abusive applications.

[●] Ergonomic Pistol Grip Handle improves operator comfort.
